

Couleur Caramel Newsletter 2016

New products has been introduced into Couleur Caramel Family.

KOHL KAJAL is one of them

Halfway between skincare and make-up, the Kohl Kajal is traditionally used by Indian women to protect the fragile area around the eye and intensify the look.

Tip product:

The kohl kajal is commonly placed on the inner edge of the lower eyelid to whiten the back of the eye, enhance the colour of the iris and give lustre to the eye.

Apply the lash line or inside of the eye, on the mucosa to highlight the eyes.

The kohl kajal can also degrade brush.

16.16% of active ingredients.

100% of the total ingredients are of natural origin,

18% of total ingredients are from organic farming

Two shades:

Brown and Black
